

How to include animations in L^AT_EX

- ▶ the attached file *triax_cd_NC_all.pdf* includes all slides of an animation.
- ▶ include the pdf and obtain a pdf animation using
`\usepackage{animate}`
`\animategraphics`
- ▶ the PDF animations can be viewed with: Acrobat Reader
(except on mobile devices)
- ▶ for further details/options, see:
<http://tug.ctan.org/macros/latex/contrib/animate/animate.pdf>

Example
