

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

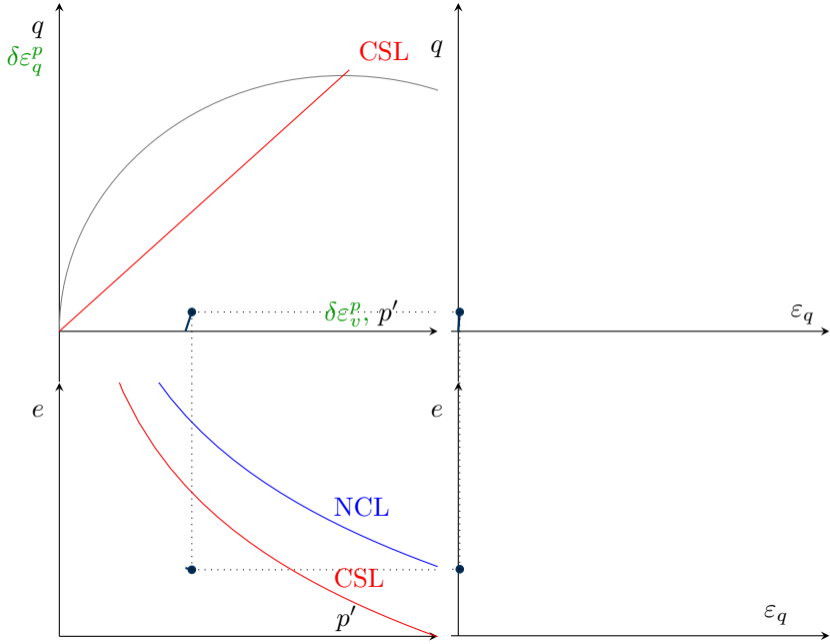

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

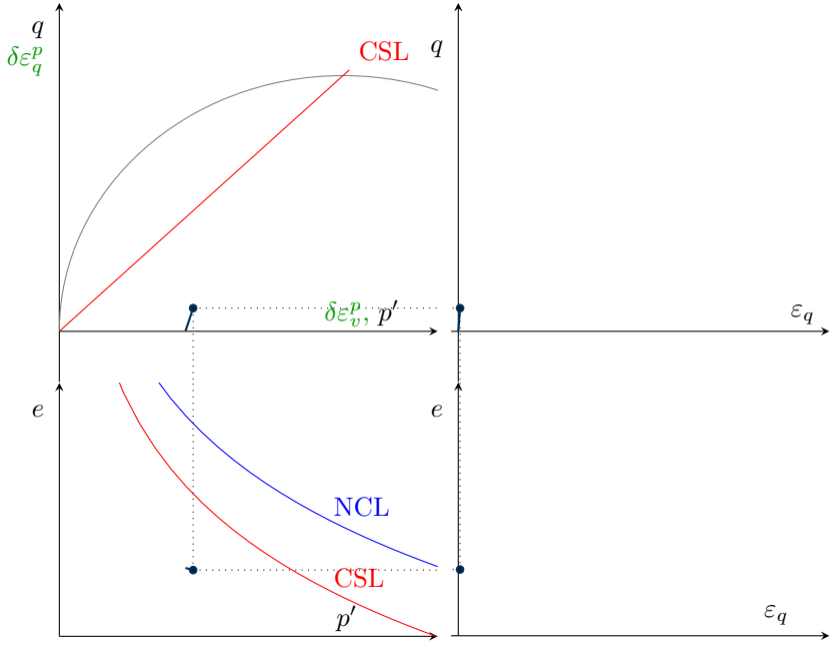

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

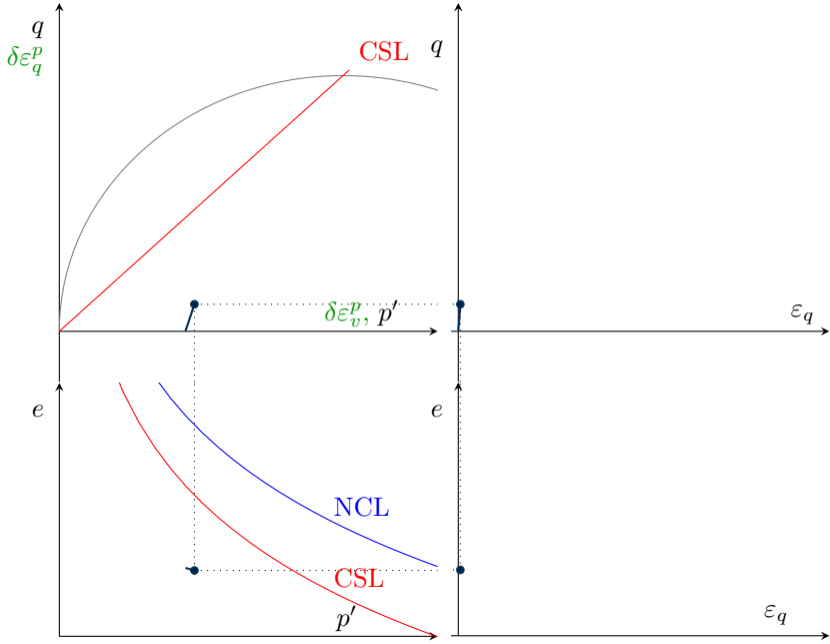

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

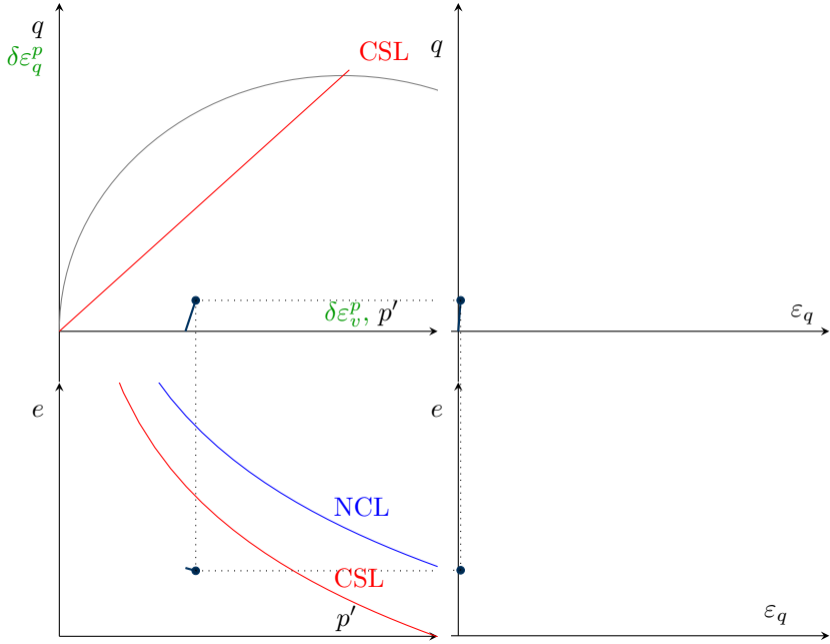

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

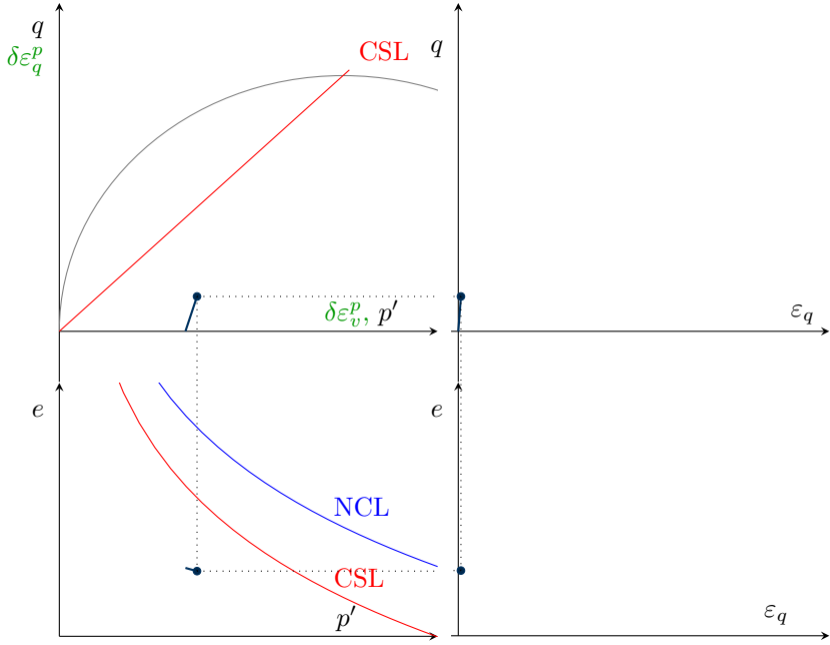

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

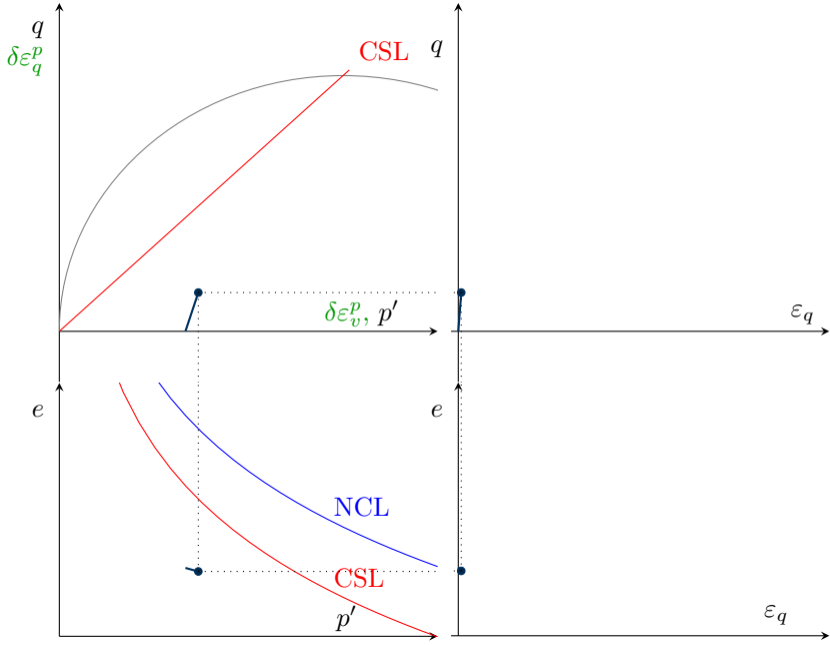

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

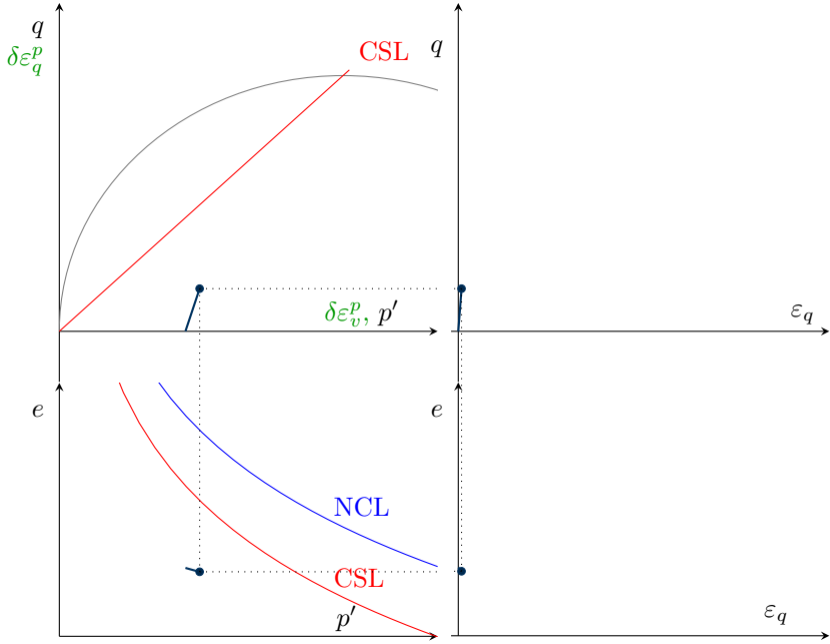

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

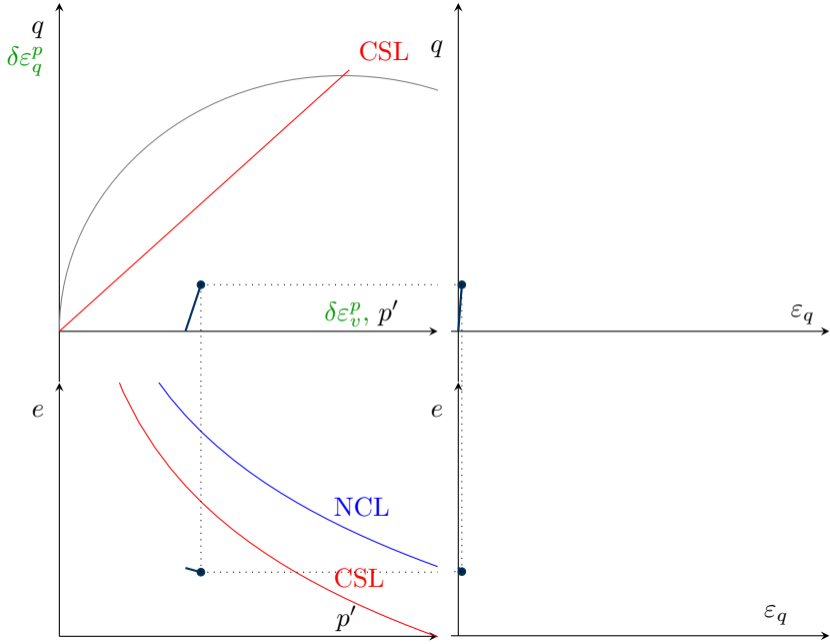

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

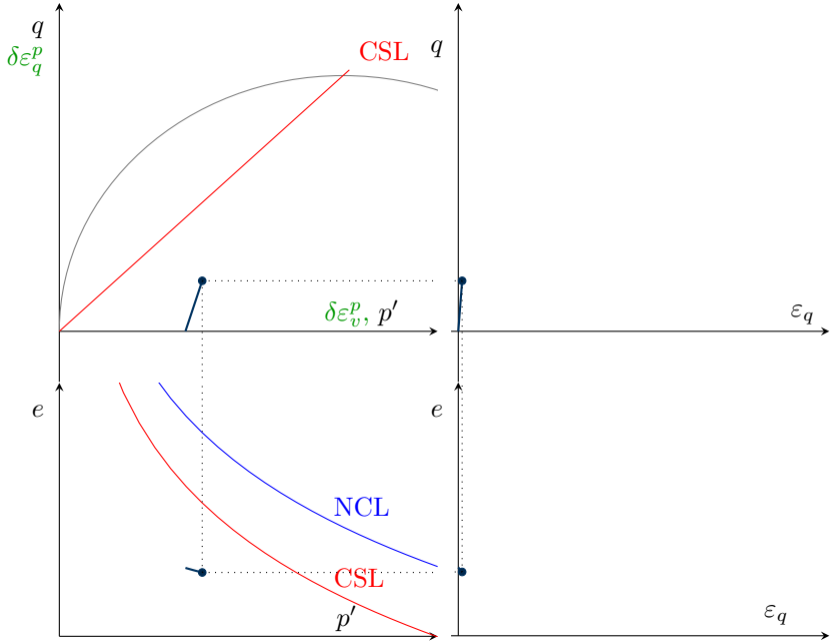

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

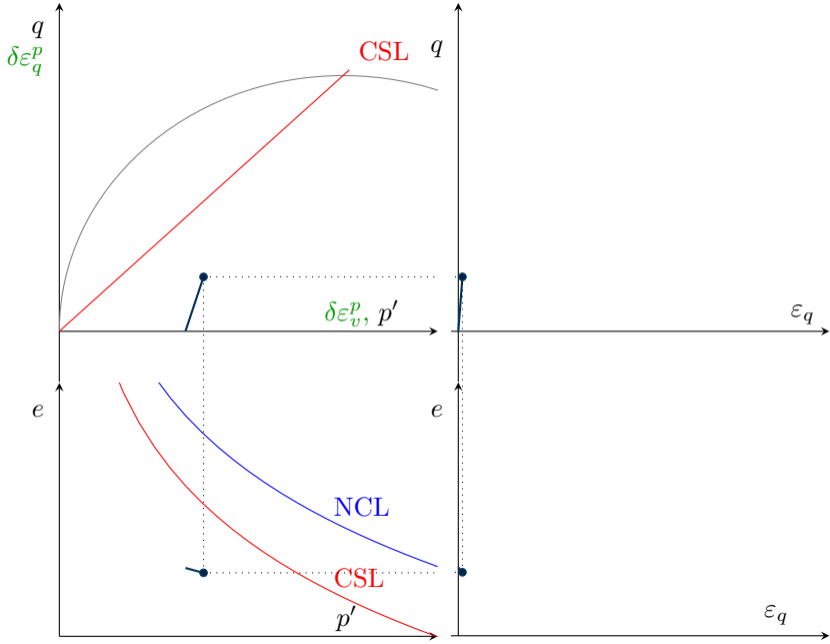

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

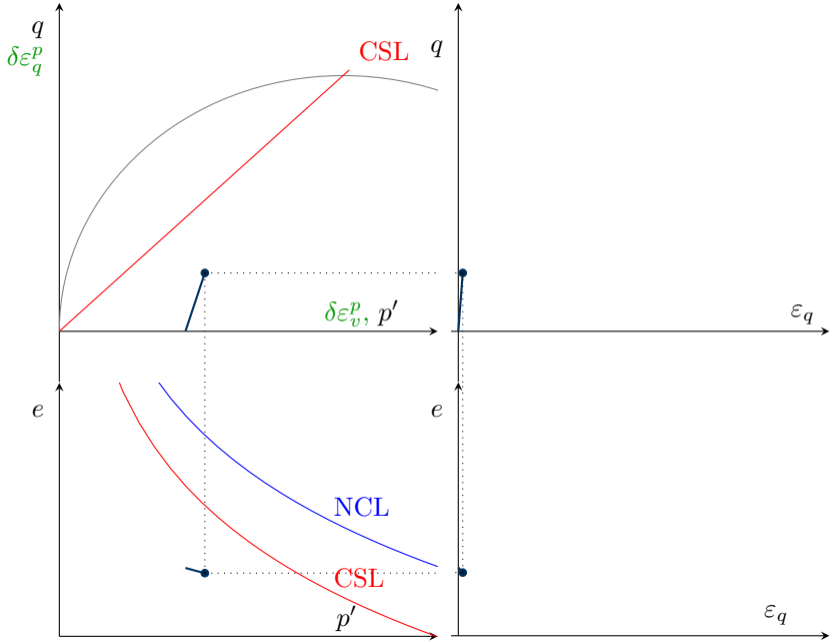

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

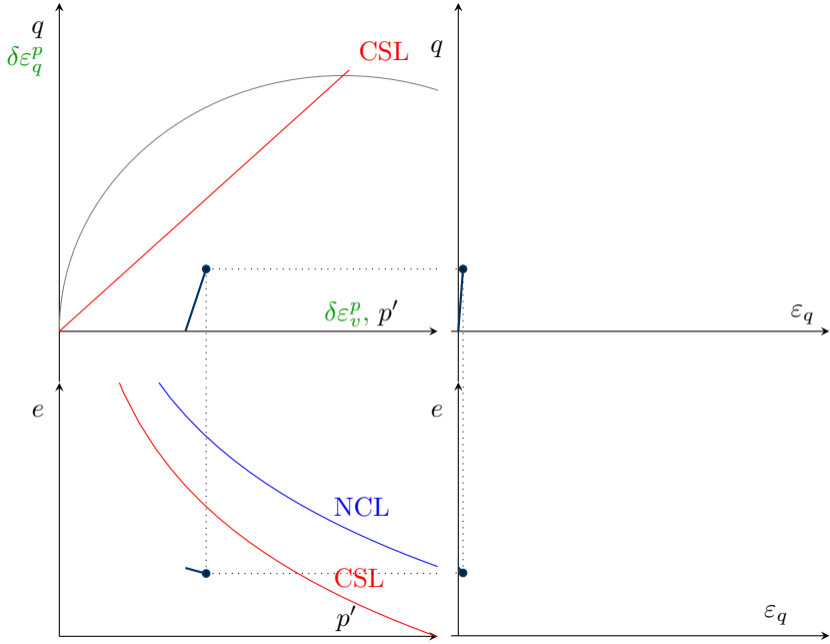

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

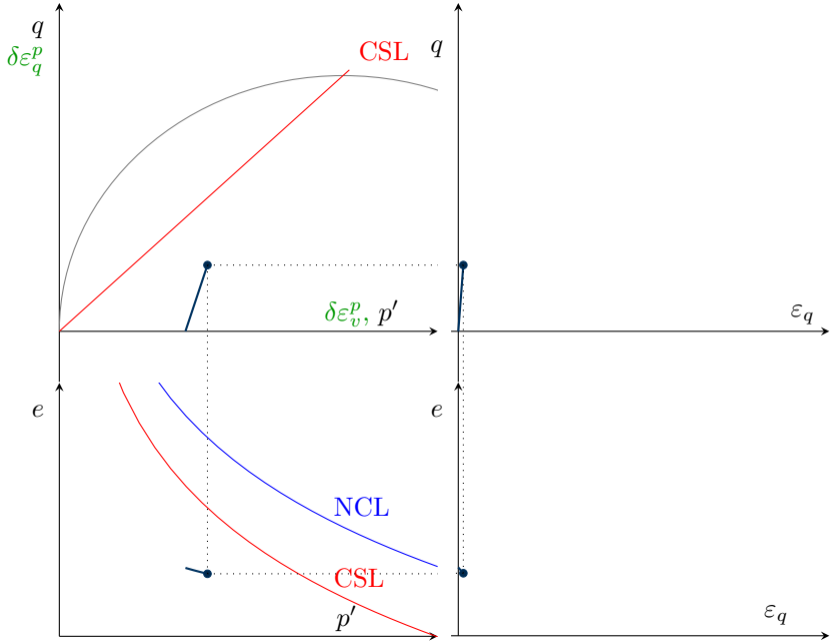

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

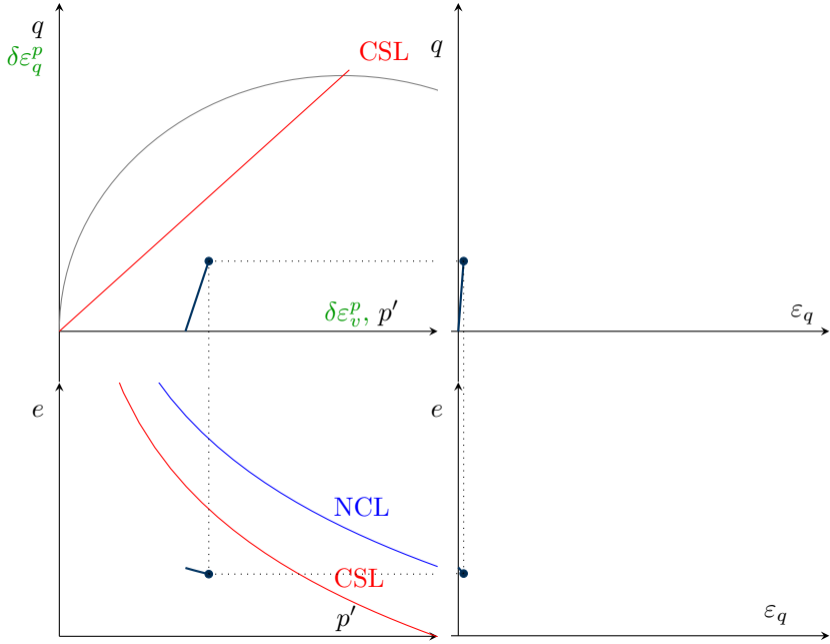

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

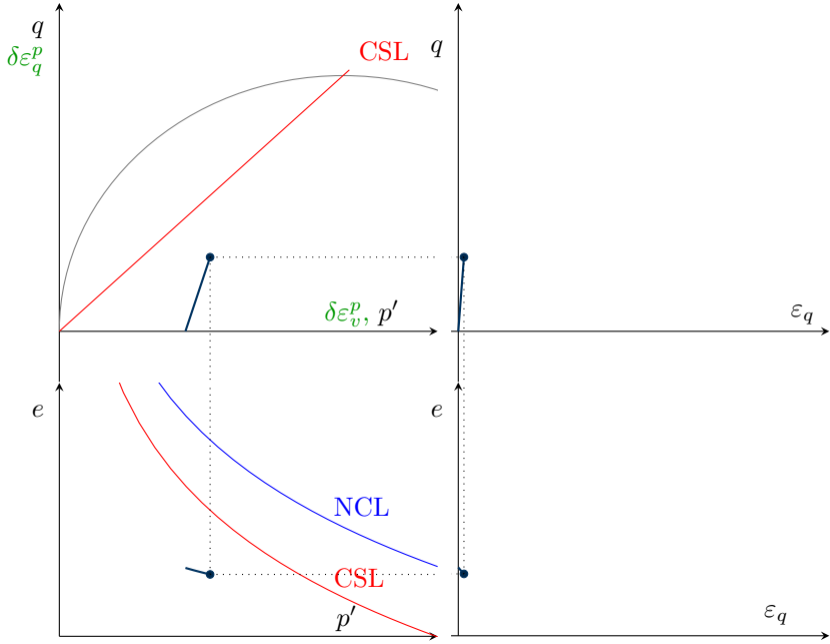

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

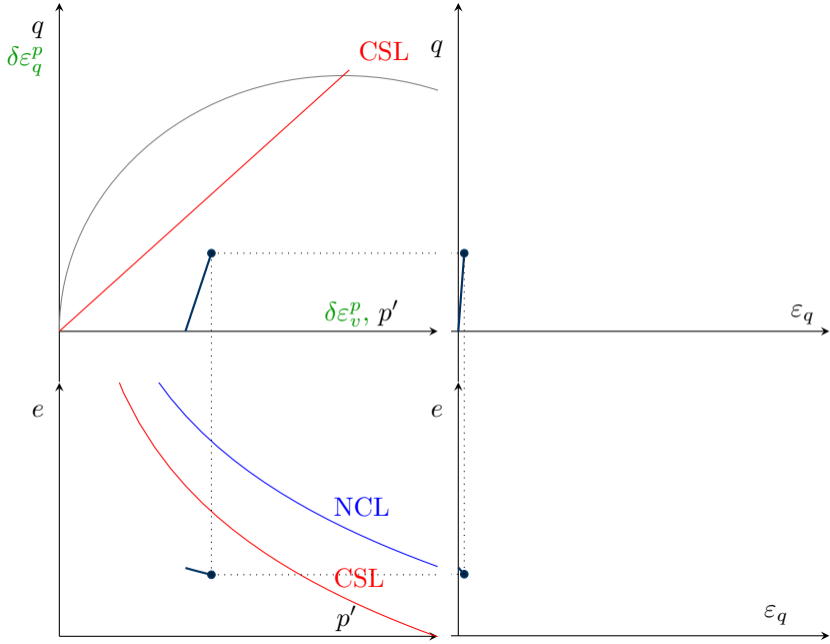

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

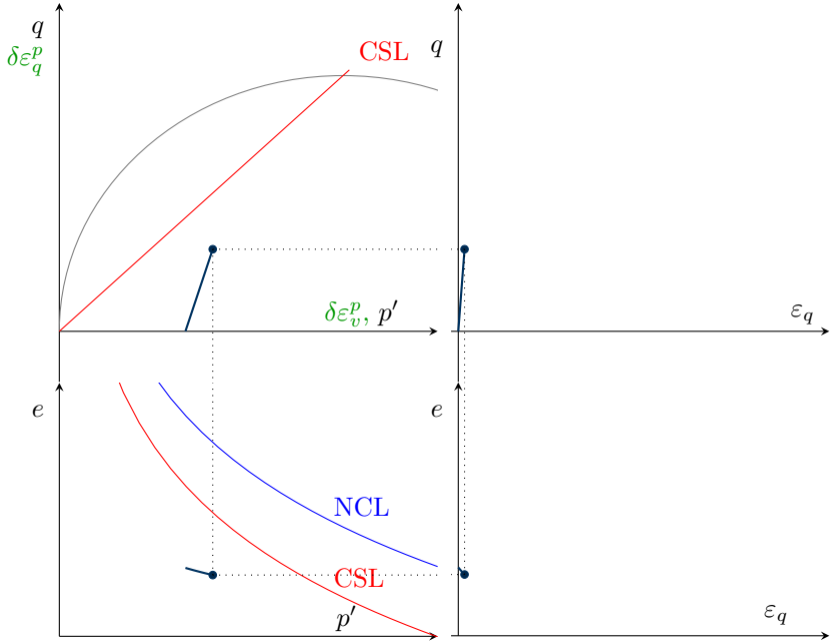

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

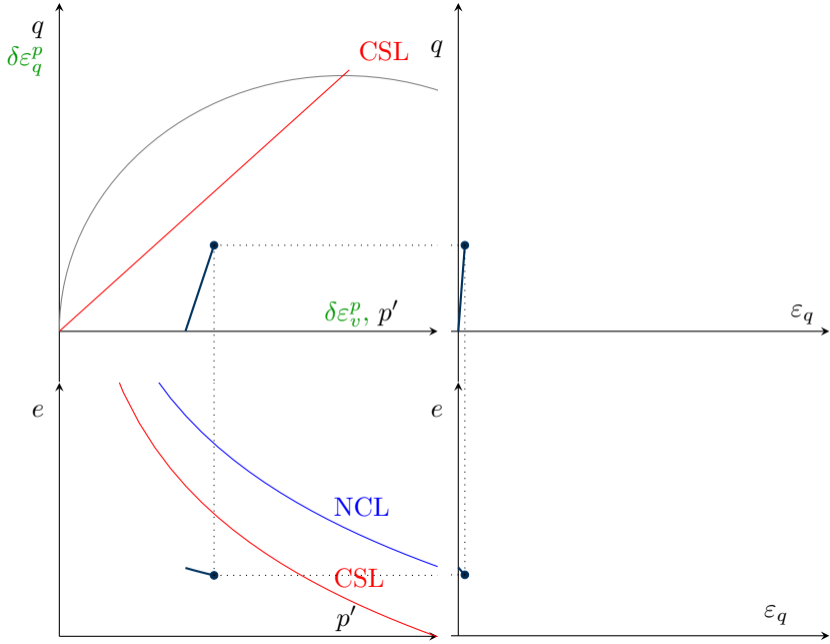

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

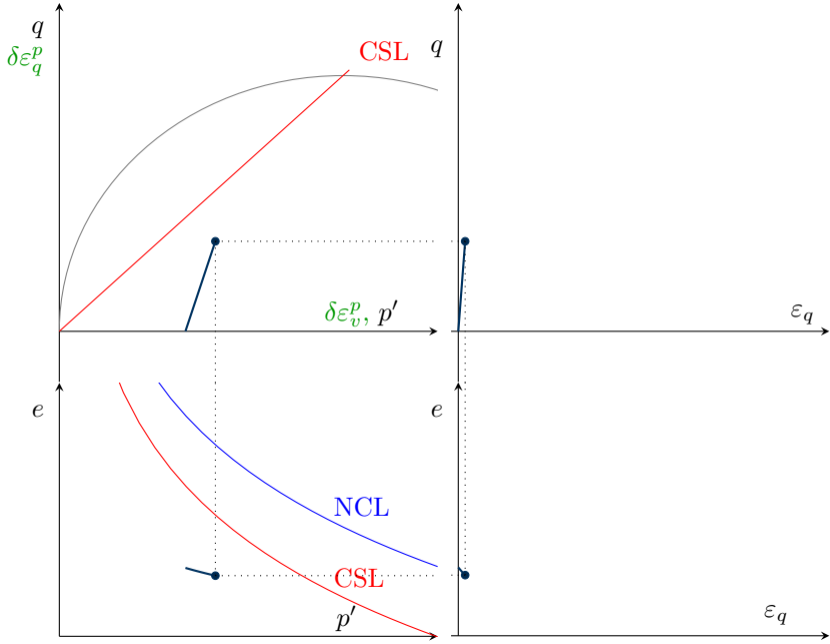

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

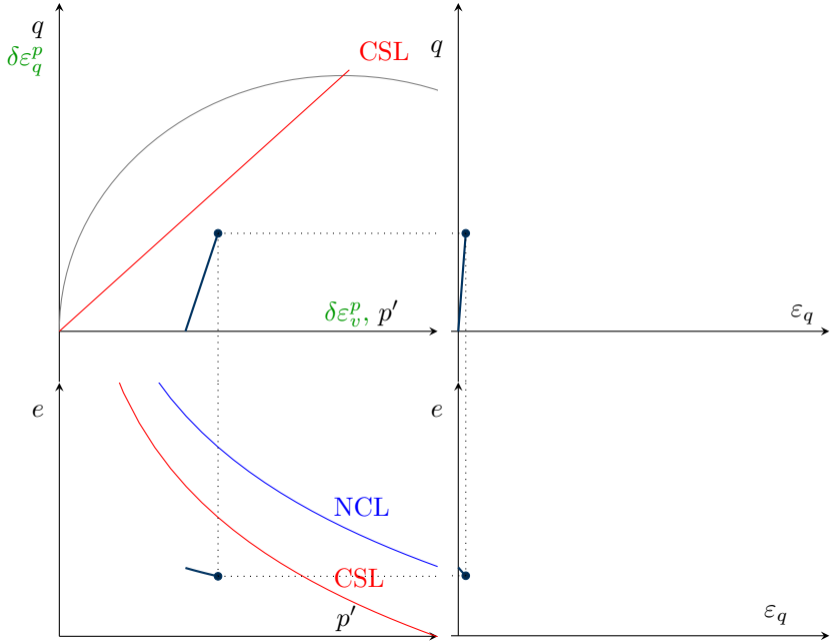

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

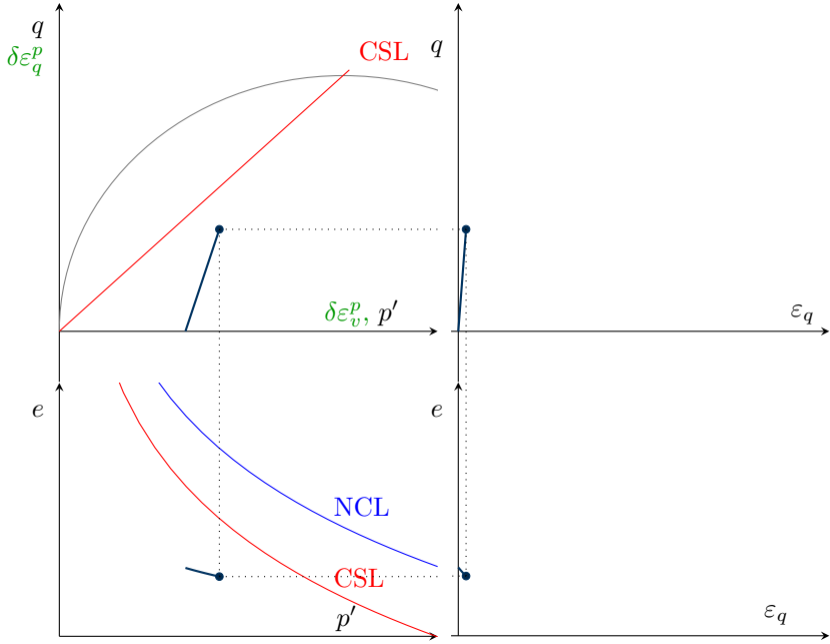

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

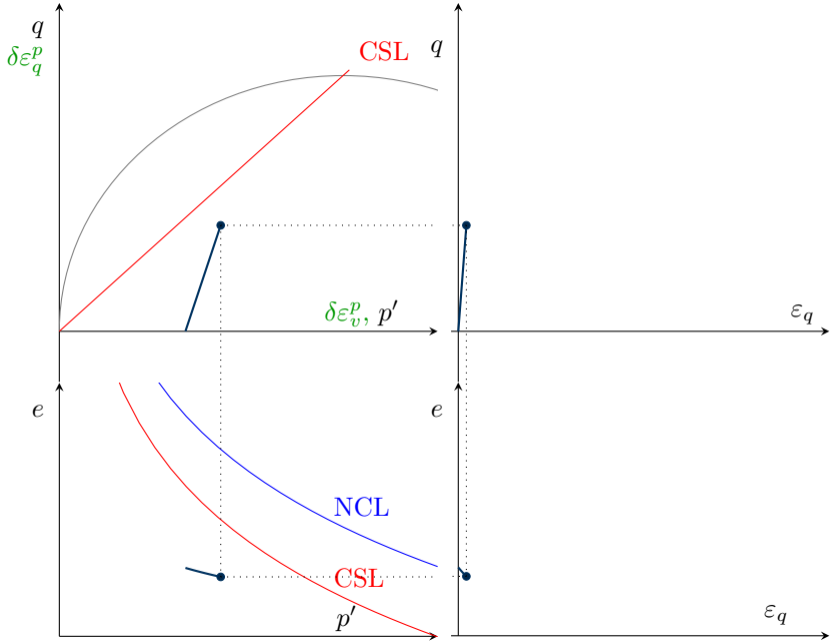

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Gertraud Medicus

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Gertraud Medicus

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Gertraud Medicus

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Gertraud Medicus

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Gertraud Medicus

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Gertraud Medicus

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Gertraud Medicus

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Gertraud Medicus

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Gertraud Medicus

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Gertraud Medicus

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Gertraud Medicus

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay

Modified Cam Clay Model (Roscoe & Burland, 1968):
 Drained triaxial test of highly overconsolidated clay
